Tiebreaks

If two teams are tied for first, the game between the two teams will determine first and second places. ii. The tie-breaking procedure will include a draw to the button to take place after the conclusion of each practice, by all teams involved in the competition. The measurements of the three round robin games will be recorded and totaled for tie breaking placing only.

If three teams are tied for first, the team with the lowest total draw to the button will be awarded 1st place in the pool. The other two teams will play a four-end game to determine the 2nd place team. Extra ends will be played if necessary.

If three teams are tied for second place, the team with the lowest total draw to the button will be awarded a bye. The other two teams will play a four-end game with the winner then playing the team with the bye in another four-end game to determine 2nd place in the pool. Extra ends will be played if necessary.
