NEASAA Policy:

SECTION XXIII - VOLLEYBALL

1. The rules of the CVA shall govern the ASAA volleyball.
2. The ASAA recognizes the Alberta Volleyball Association as the official organization for training and certifying of officials and gives its full support through the use of certified officials.

A. Officials shall be appointed by the President or his designate.

B. In zone competition, it is the responsibility of the competition chairman to ensure that the minor officials - linesmen and scorekeeper - are properly trained and provided.

C. TIE BREAKING PROCEDURES:

If two or more teams are tied at the end of the preliminary round, the following criteria will be applied, in order:

1. The team having the best ratio of won/lost matches, considering matches between the tied teams, will be ranked higher.
2. The team having the best ratio of won/lost games, considering matches played between the tied teams, will be ranked higher.
3. The team having the best ratio of points for/against, considering games played between the tied teams, will be ranked higher.
4. The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher.
5. As determined by the Organizing Committee (e.g. extra game, toss of coin, etc.)

NOTE: When used to determine the ranking of any number of teams (2 or more), the tie-breaking criteria should be applied one after the other, until all teams have been ranked. E.g. If there is a tie among teams X, Y, and Z, and criteria "b" determines team X as ranked first, ranking of teams Y and Z should then be determined by using criteria "c", and so on, if necessary.

This system is used to rank teams in a section but is not used to eliminate a team. E.G. If three teams are tied for first place and two are to advance, the C.V.A. tie break procedure will determine first, second and third place. The first place team receives a bye while the second and third place teams play a single game to determine second place. If only one team was to advance, then the winner of the single game playoff would play the first place team in a single game playoff.

3. Volleyball Zone tournament fees shall accompany a team's ASAA registration and must be in by the Provincial Deadline for this registration. A deadline of November 1 will be set for teams to notify the zone secretary of cancellation. Teams canceling prior to the deadline will have their zone tournament fees refunded. Teams missing the deadline will not receive a refund.
4. Seeding for all zone volleyball championships shall be established by the respective ranking officers using the following guidelines:
 - A. The Ranking Officer will make preliminary contact with each school at the start of the season.
 - B. It will be the responsibility of the school to submit their results on a regular basis.
 - C. The Ranking Officer will compile results and submit his/her rankings to the Volleyball Commissioner on the following schedule:
 - I) the Wednesday of the last week of September.
 - II) the Wednesday of the second week of October.
 - III) the Wednesday of the fourth week of October.
 - IV) the Wednesday of second week of November (final ranking).
 - D. Protests to the final rankings must be received by the Volleyball Commissioner on or before the Friday following the final rankings. A complete list of team results must accompany the school's protest.
 - E. Any school that does not consistently submit results will not be ranked.
5. 1A NEASAA Volleyball Playoffs
 - A. Each district (league) will be eligible to send teams to the 1A NEASAA Volleyball Championship in accordance to the number of schools that have registered volleyball teams with NEASAA.
 - B. If one to three teams of that district (league) have registered 1A volleyball teams with NEASAA, that district will be eligible to send one representative team to the NEASAA Championship.
 - C. If four or five teams of that district (league) have registered 1A volleyball teams with NEASAA, that district will be eligible to send two representative teams to the NEASAA Championship.
 - D. If more than five teams of that district (league) have registered 1A volleyball teams with NEASAA, that district will be eligible to send three representative teams to the NEASAA Championship.

NOTE: It is the responsibility of the volleyball commissioner to contact the secretary of NEASAA in regard to the number of registered teams in each district. The volleyball commissioner will then inform the president of each district about eligible team numbers.
6. 2A NEASAA Volleyball Playoffs
Each district (league) will be eligible to send all registered teams to the 2A Volleyball Championship.

7. 2A and 3A volleyball playoffs will be on a rotation schedule.
